

NA-140VX3

Fully automatic washing machine

Large capacity : 10 kg / Energy Efficiency A+++

Eco/Speed Mode to save energy and water or to save time

HydroActive+ and Perfect Sense technology: for very efficient washing and energy saving

3D Sensor : Intelligent drum analysis for optimal washing performance

Stain Master : Auto stain removal function (against 23 types of stains)

6 Year Parts and Labour Warranty (redemption required)

Fully automatic washing machine (Energy Efficiency Class A+++)

General Information

Body Colour	White
Ring Colour	Chrome
Load Capacity	10 kg
Spin Speed	1.400 rpm
